## Our Trip to Mt. Sterling.

Dr. B. Littlepage in company with the editor as representatives of the Clay City visited Mt. Sterling Monday and interviewed the business men of our enterprising neighboring town in behalf of our bridge fund now being raised for the construction of a steel bridge across Red river at Waltersville. We were very cordially received and the business men rewarded our efforts in a very substantial way, such a way as is required in the construction of a bridge. Their donation in our behalf cherishes that kindly feeling that has existed for years past in their favor. When our people visit our kind and liberal neighbor, consult the list of contributors as shown in the columns of the TIMES, and if you intend buying anything in the city give them preference and tell them why you did so.

Our thanks are especially due to Mr. N. M. Trimble of the Trimble Grocery Co., who accompanied us over the city and aided us in our solicitations and the proper presentation of our claim. Our merchants should not forget this act of kindness and liberality on the part of the

Trimble Grocery and give them a liberal patronage in the future.

The Chiles-Thompson Grocery Company also rendered us valuable assistance and are deserving of a liberal share of our merchant's patronage.

## Death of Weeden Adams.

Weeden L. Adams, a well-known citizen of near Virden, died at his home Sunday, July 10, of consumption. Burial at Powell's Valley Tuesday morning. Deceased was 55 years of age and was a member of the Baptist church. He was a christian man and one that will be missed by both neighbors and family. He leaves a wife and four children to mourn his loss.

## Notice to Bridge Contractors.

Bids for the construction of an iron or steel bridge across Red river at Waltersville according to specifications and dimensions as filed in the City Clerk's office will be received until Aug. 1, 1904. The right to reject any or all bids is reserved.

J. H. Terry, Mayor Clay City.  
J. E. Burgher, Clerk.

Sewing machine needles at W. T. Webb's. All makes and sizes.

## Deputy Sheriff Peel Here.

J. B. Peel, deputy sheriff of Nicholasville, was here several days last week. Mr. Peel is the same gentleman that was here eight years ago chasing Cash Graves the noted horse thief when Wm. Heather, who was with him, through mistake, shot Asa Snowden near this place. Mr. Peel said he returned eleven horses that Graves had stolen. Graves was finally captured in Missouri and brought back to Richmond where he was tried and sentenced to the penitentiary. He was pardoned, however, without getting an inside view of the walls that should have kept him securely for life.

## An Ordinance.

R. bridge; thence westward across Red river to the eastern margin of the road leading to Black creek; thence with said margin of said road to the ford of the river; thence across the river just below the ford to the present city limits, so as to include no part of said road or said ford of the river; thence with the present limits to the beginning.

## Installation of Officers.

The Lodge of I. O. O. F. held a public installation of officers at Stanton Tuesday. The crowd was entertained by speeches from Mr. Joseph C. Lykins, of Camp-ton, and others. The Clay City Cornet Band was present and furnished the music for the occasion which was very nice. Several Odd Fellows from Clay City attended and report a splendid time on their part.

Dr. Williams, of Caney, Morgan county, is in the city.

## Irvine Items.

[Irvine Herald.]

The glorious Fourth passed off quietly in Irvine. Several spent the day at Winston, some at Witt Springs and a few at Clay City.

At a meeting of the Republican County Committee last Saturday Bud Flynn was elected to succeed Jas. A. Wallace as chairman.

Capt. Geo. W. Jackson, whose father owned and operated the old forge at Clay City, and whose home is at St. Louis, was here a short while Wednesday.

The prospect for a large yield of corn in Estill county was never better than now. The acreage is estimated at something like 25 per cent greater than for many years.

Some unknown vandal broke three of the street lights with rocks Monday night. It is earnestly hoped that the scoundrel will be apprehended and duly punished.

## Desirable House for Sale.

## Are You far Sighted?

Must you hold the book or paper at arms length to get the proper focus. If so a careful examination now and the use of proper glasses will set you right. There is worse trouble ahead if you fail to note warning. W. T. WEBB, Optician.

## The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

#### ANNOUNCEMENTS.

##### FOR SHERIFF.

THOS. B. WARE is a candidate for the  
office of Sheriff of Powell County, sub-  
ject to the action of the Democratic  
party.

##### FOR SUPERINTENDENT OF SCHOOLS.

R. A. IRVIN, SR. is a candidate for  
the office of Superintendent of Schools  
of Powell county, subject to the action  
of the Democratic party.

##### FOR ASSESSOR.

JAMES W. WOOLEY is a candidate  
for Assessor of Powell County, subject  
to the action of the Democratic party.

##### FOR JAILOR.

GEORGE STEPHENS, of Stanton, is a  
candidate for Jailor of Powell county,  
subject to the action of the Democrati-  
c party.

##### Mr. Ware for Sheriff.

The formal announcement of  
Mr. Thos. B. Ware, of Virden,  
for sheriff of Powell county, sub-  
ject to the action of the Democr-  
atic party, appears in this issue  
of the TIMES. Mr. Ware is a true  
and tried Democrat who has never  
been found wanting when his  
party needed aid.

Mr. Ware has served the peo-  
ple of Powell as sheriff one term  
before and made a splendid offi-  
cer, giving universal satisfaction  
to all law-abiding people. He  
has a strong personal following  
and a promise of support from  
leading Democrats in all parts of  
the county. He has no announce-  
ed opposition, and it will take a  
great deal of deliberation from  
even the strongest would-be can-  
didate in the county to muster  
up courage to tackle the strength  
of Mr. Ware in his present race  
for Sheriff.

##### Parker and Davis.

Parker & Davis is the style of  
the Democratic ticket for Presi-  
dent and Vice-President respect-  
ively. They both were nominat-  
ed on the first ballot at St. Louis  
last week. While some Democ-  
rats are not thoroughly satisfied  
with Parker altogether as their  
standard bearer, they are all for  
him now. The prospects were  
never brighter for a Democratic  
victory than at present. The party  
is wholly united and ready for  
the political fray. Both parties  
will inaugurate a vigorous cam-  
paign this fall and things politic-  
ally may be expected to be lively  
until after the election. The  
Democrats will confront the en-  
emy with as good, impeachless  
ticket as they ever met, and a  
platform that is broad and solid  
enough to fight the world of Re-  
publicans on, niggers and ted-  
dy too.

Roosevelt had a large sum of  
money appropriated to fight the  
trusts with, and the trusts grew  
richer every day thereafter.  
Without a dollar we Democrats  
will settle them at the coming

November election. One day on-  
ly is enough for a job like that  
when Democracy is so solidly  
lined up.

After March 4th next the post-  
office scandal will be put to an  
end by turning the rascals out;  
the best way of all.

#### \$100 Reward, \$100.

The readers of this paper will be  
pleased to learn that there is at least  
one dreaded disease that science has  
been able to cure in all its stages,  
and that is Catarrh. Hall's Catarrh  
Cure is the only positive cure now  
known to the medical fraternity.  
Catarrh being a constitutional dis-  
ease, requires a constitutional treat-  
ment. Hall's Catarrh Cure is taken  
internally, acting directly upon the  
blood and mucous surfaces of the  
system, thereby destroying the  
foundation of the disease, and giv-  
ing the patient strength by build-  
ing up the constitution and assisting  
nature is doing its work. The pro-  
prietors have so much faith in its  
curative powers that they offer one  
hundred dollars for any case it fails  
to cure. Send for list of testimoni-

## Wakeful?

Sleeplessness Is a  
Sign of Nerve Trou-  
ble and Should  
Be Looked To.

There are three different manifesta-  
tions of sleeplessness:

First, hardly to wink all night,  
second, to wake some time before  
falling asleep, and then sleep soon,  
waking and then sleep again, and then  
find it hard to sleep.

They mean that somewhere in the  
nerve fibres, somewhere in the brain  
cells, somewhere in the blood vessels  
that carry blood to the brain, something  
is radically wrong, and must be righted,  
or the end may be worse than death.

To right it, take Dr. Miles' Nervine.

Some other symptoms of nerve trou-  
ble are: Dizziness, Headache, Back-  
ache, Worry, Restlessness, Irritability,  
Melancholy, Lack of Ambition.

They indicate diseases which may lead  
to Epilepsy, Fits, St. Vitus' Dance,  
Nervous Prostration, Paralysis, Insanity.

Nothing will give such quick and last-  
ing relief as Dr. Miles' Nervine.

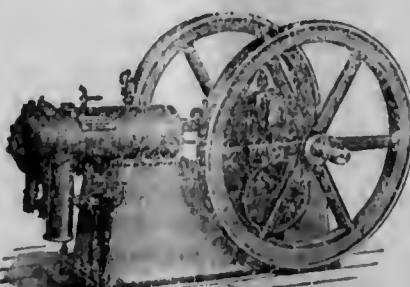

"My husband had been sick for weeks,  
could not sit up to have his bed made.  
With all the medical help we could get  
he continued to grow worse. He could  
neither sleep or eat. Our baby girl was  
sent away, and all callers barred, be-  
cause he could not stand a bit of talk-  
ing. I read of a case of nervous pro-  
stration cured by Dr. Miles' Restorative  
Nervine. We began giving it to him,  
and in a few days he was able to be  
dressed. From that time he steadily  
improved. Nervine saved his life."

## LOCAL BREVITIES.

Quarterly court was in session at Stanton Monday.

Dr. Sherman See, of Levee, was in the city Monday on business.

W. R. Cassidy has been very sick for several days, not able to leave his room.

Charlie Welch and J. W. Burton were in Mt. Sterling Monday on a business mission.

Drs. Littlepage and Irvin were summoned to Stanton Tuesday as witnesses in a case.

Mrs. B. F. Day, of Mt. Sterling was the guest of her brother, W. R. Cassidy, Monday and Tuesday.

The family of W. T. Stringer left this week for Indiana where they will locate to make their home in the future.

Rev. R. A. Irvin of this city, and pastor of the Presbyterian church at Bettyville, filled his pulpit at that place Sunday.

"Uncle" A. J. Asberry, the champion fisherman of Clay City, has caught several nice cat fish the past week above the dam.

Dr. J. N. Rankin, a former school teacher of this county, is recovering from an operation for hernia in a Lexington hospital.

The editor has been called away from the city two days this week which will partly account for any deficiency in this issue.

Mr. and Mrs. Fults and Mr. Mrs. Hudson, of Pittsburg, Penn., have recently moved into the house vacated by W. T. Stringer.

There was a cave-in at the Mud Tunnel the first of the week which threw trains from both ends of the road considerably off of time.

There will be an ice cream supper given in the city park Saturday night the proceeds of which will go to the Clay City Base Ball Club.

Frank Earnest and family have moved from Irvine to Clay City. Mr. Earnest will continue in the timber business and make this place his headquarters.

Millard Carr, one of our promising and industrious young men, left Monday for Indianapolis, Ind., with the intention of making that State his home.

The river has been pretty high this week as a result of the good rains that have fallen during the time. At some places high water impeded travel across the river.

Mr. John W. Vaughn, of Phoenix, Arizona, has arrived in Kentucky to visit old friends and acquaintances. He is now visiting his sister, Mrs. Edith Mize, at Winchester.

The merchants and business men of Mt. Sterling contributed \$117 to our bridge fund; the merchants of Clay City contributed \$50. Just where the difference comes in is hard for our people to understand.

The largest amount the Flying

Dutchman took in in Winchester for a single day is said to be a little the arise of \$12.00; in Clay City for the same period of time it probably was \$400.00 There's the difference between the two towns.

Mr. and Mrs. J. C. Fitch, of Lexington, are the proud parents of a bran new baby boy which arrived at their fireside Sunday morning, the 10th. Mrs. Fitch has been with her mother at this place for some time, but will return home in a few weeks.

Don't forget the bridge fund now being raised to construct a bridge at Waltersville. The fund is badly needing more money, and the same must be raised at once. This is the only chance we have ever had to get a bridge and this opportunity must not be lost.

Gus Shimfessel, the little nine-year-old son of merchant C. Shimfessel, was thrown from his father's delivery wagon Tuesday morning and was unconscious for several hours. The little lad had frequently made trips with the delivery man and nothing was thought about it until the accident happened. The driver was also thrown from the wagon but without injury. We are glad to know that Gus is much better.

**True to the Minute**  
is the way your watch should keep time. If it doesn't it "needs fixing." You should take it to W. T. Webb at once and have him repair it for you. A guarantee of one year goes with all work.

**Flying Dutchman Gone.**  
The Flying Dutchman pulled up stakes and bade Clay City adieu Monday morning after a stay of two weeks, taking with them probably between one and two thousand dollars of hard earned cash. We don't condemn a thing of this kind altogether, for we think it nice amusement for children for a day or two, but that is as long as they should be licensed to stay in a town like Clay City. If allowed to stay longer they manage to cabbage on the majority of the floating change.

**The Difference in Towns.**  
The patent medicine show struck Winchester and managed to stay there by some means for two weeks and lost but \$40 according to the manager's own statement. In Clay City they staid for one week or until run out by the Dutchman, clearing a handsome surplus. They went from here to Mt. Sterling where they were not permitted to remain long enough to earn one square meal or to unload their duds. When Clay City needs a bridge and money to build it our friendly neighbor, Mt. Sterling, chips in with the cash to help us for such towns always has it on hand.

**A Startling Test.**  
To save a life, Dr. T. G. Merritt, of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at Swann-Day Lbr. Co's.

## HEALTH

"I don't think we could keep house without Theford's Black-Draught. We have used it in the family for over two years with the best of results. I have not had a doctor in the house for that length of time. It is a doctor in itself and always ready to make a person well and happy."—JAMES HALL, Jacksonville, Ill.

Because this great medicine relieves stomach pains, frees the constipated bowels and invigorates the torpid liver and weakened kidneys.

## No DOCTOR

is necessary in the home where Theford's Black-Draught is kept. Families living in the country, miles from any physician, have been kept in health for years with this medicine as their only doctor. Theford's Black-Draught cures biliousness, dyspepsia, colds, chills and fever, bad blood, headaches, diarrhea, constipation, colic and almost every other ailment because the stomach, bowels, liver and kidneys so nearly control the health.

"The Chafing-dish in Summer," by Eleanor Marchant; "Healthful Summer Drinks," by Julia Harries Bull; "Summer Viands," by Margaret Hall, are some of the numbers on the August menu in the department of Good Housekeeping.
